**Unitarian Discovery Week Theme Talk Tuesday 17th July
2018**

From Ralph Catts

Minister, Hull Unitarians

Can small things make a difference?

What does it matter if you decide to make a change for the good of yourself, or for those around you, or for the planet?

We will explore how your efforts can make a difference – and how the most important change is in our attitudes, and how our daily spiritual practice can be an inspiration.

Please note that everything is voluntary and the workshops in-house. Join in as you are able. We hope you will support the visiting speakers at the Theme sessions as they put a lot of work into it.
