

SOUTHPORT

UNITARIAN

NEWS

March 2012

Normal production of this Calendar will be resumed in due course.
For now suffice to say we have our regular group of visiting Preachers,
who challenge us every week.

We meet at 11.00am every Sunday in our new building, about a quarter of
a mile further down Portland Street than we were, on the other side of
the road.

Should you wish you are very welcome to join us, but please note we will
be closed on Sunday 13th May when our Partnership has its Annual Service
together elsewhere, and we will also be closed each Sunday in July.
